

It would be nice to believe that problems like hunger and poverty do not exist for anyone, especially our older neighbors. But in fact, the longer we live the more risk factors we face and that is why one in every six Michigan seniors go to bed every night wondering if they will have a meal tomorrow.

Meals on Wheels Western Michigan is committed to creating a stable future with enough food to support the health and independence of older adults. The money raised at our annual gala, Chef's Specialty, supports a vital part of that goal. **In 2020 we anticipate having to provide 955,000 meals for over 7,000 seniors. They need your help. But together we can make sure that no senior goes to bed hungry.**

This year's Chef's Specialty will honor Robert Woodhouse Jr., a passionate leader and philanthropist in our community. Bob is a third-generation graduate of Aquinas College and has spent his life in service to the community where he lives. He has served on numerous boards and been an unofficial advisor to the Meals on Wheels CEO Brewster Hamm for the past seven years. He has helped to make many financial and program connections, putting MOWWM on a stable path for the future.

Chef's Specialty will be held on May 19, 2020 at 6:30 pm at New Vintage Place.
